S No.	Project title	Working model/prototype
1.	Self Controlled Pick and Place Robot	2.	Smart Home	
3.	Rural Crafts and Livelihood Management using IoT	

4.	Skill in electronics at AmaravatiState level competition	
5.	Skill in electronics at south India competitions	
6.	Skill in electronics at National Level	

7.	Metal Detector using Android Mobile and MATLAB Simulink	
8.	Smart city using IOT	
9.	• Multi Tasking Robot • Pick and Place Robot Control using Hand Gestures • Robot control by GSM
