FINANCIAL ASSISTANCE FOR ATTENDING FDPs/RESEARCH WORKS/CONFERENCES/WORKSHOPS/SEMINARS/SYMPOSIA/COURSERA/PUBLICATIONS

INTRODUCTION:

Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering and Technology enhances the knowledge of its faculty through research and innovation. The institution updates its faculty by expanding facilities, research skills and by providing a place for them to share their knowledge, experience, and research with the rest of the world. It encourages its faculty by providing financial assistance to the teaching staff to conduct research in the college, attend FDPs, conferences, workshops, seminars, symposia, coursera, and publications at the national and international levels, and obtain professional membership in the relevant fields. It aims to strengthen the standards of the faculty by promoting them to attend training in emerging areas and new technologies.

OBJECTIVE:

To improve the educational qualifications and knowledge of the teachers to the present requirements.

To create a healthy platform for teachers to share their knowledge and thoughts.

To interact with eminent people, industrialists, academicians, and scientists from research institutions to improve teachers' in-depth knowledge of subjects

To instill a research tendency in faculty members and to improve their research skills

To foster the development of multi-disciplinary research endeavors across faculty and departments
