**REPORT FOR RALLY ON STOP VIOLENCE AGAINST WOMEN
(02-12-2019)**

A rally on Stop violence against women was conducted by the students of PSCMR on 2nd December 2019 with the help of NSS Cell. Violence against women and girls is a hidden global crisis which knows no boundaries of geography or culture. But, marginalized women, such as poor women and girls, are most likely to experience it, most often at the hands of their husbands or partners. Violence against women is a major public health problem and a violation of women's human rights. Violence can negatively affect women's physical, mental, sexual, and reproductive health. Men are more likely to perpetrate violence if they have low education, a history of child maltreatment, exposure to domestic violence against their mothers, harmful use of alcohol, unequal gender norms including attitudes accepting of violence, and a sense of entitlement over women. Keeping these facts in mind, the NSS Cell of PSCMR conducted a rally to spread awareness among the public about the violence against women in the society. The students of all B.Tech, Diploma and M.B.A very actively participated in the rally by showcasing the banners outside the college premises. 49th ward corporator Mrs Gadi Lakshmi garu participated in the rally along with the students. In the press meet Lakshmi garu explained about the recent incidences that happened against women and the actions that need to be taken by the government against.
