Name of the Programme: DISTRIBUTING FACE MASKS TO DEFAULTERS BY PSCMR
 NSS UNIT AT ISLAMPET, VIJAYAWADA

VENUE: ISLAM PET, Vijayawada

Objective: The main objective of distributing face masks to defaulters is strived to educate the people first and taking adequate precautionary measures from COVID-19.

NSS unit of PSCMR CET believes that masks are a simple barrier to help prevent your respiratory droplets from reaching others. Masks reduce the spray of droplets when worn over the nose and mouth. We should wear a mask, even if you do not feel sick. Face coverings limit the volume and travel distance of expiratory droplets dispersed when talking, breathing, and coughing. A face covering without vents or holes will also filter out particles containing the virus from inhaled and exhaled air, reducing the chances of infection. So NSS volunteers of PSCMR CET distributed masks among passengers at ISLAM PET, Vijayawada. The purpose was to spread awareness about the precautions to be taken during these days while visiting public places. Dr. K Ramakrishna Principal, said youngsters of any nation were the most important instrument of bringing about a positive change. NSS Volunteers and NSS PO were participated in to this event.
