

Name of the program: "Blood Donation Camp"
Venue: Mokshagundam Visvesvaraya Hall

Date: 07-05-2022

Summary report

Description: Blood donation is a practice of donating healthy blood to people in need. People also tend to store blood in blood banks for future use. It is a sign of humanity which helps in uniting people of different religion, caste, and creed. Blood is one of the essential fluid in our body, which helps the body to function smoothly. Blood Donation is an act of donating healthy blood to needy people. Due to excessive loss of blood, a person may die. Therefore, we can say that blood donation is an act of saving lives., where people all over the world, engage in spreading about this life-saving act. millions of people across the globe actively participate in the program. Blood donation is beneficial in many ways, such as if a person is severely ill or has met an accident where he lost a considerable amount of blood; the donated blood comes into play, which helps the patient to recover gradually. NSS Volunteers, Students and Faculty of PSCMR CET, Donated blood for the needy people through Red Cross Society. On 07/05/2022 on the eve of world red Cross day. NSS Volunteers, Students and Faculty of PSCMR CET, Donated blood for the needy people through new city blood bank.
