“Special Lecture on National Small Industries Day”

The **National Small Industries Day** is observed on 30th August every year. The prime objective of the day is to promote small businesses nationwide and offering job opportunities to the unemployed. In light of this the Department of Management Studies has invited Mr. Kotipalli Raghram CEO of Shakthi Industries Ltd., Vijayawada to deliver a session on “How to become a successful Entrepreneur?” He shared his experiences and extended his guidance to enthusiastic young students from the streams of MBA and Engineering.
