Event Place : Online

Description:

Our National Leaders and Freedom fighters were people, who sacrificed their lives selflessly for the freedom of their country. People look up to them in terms of patriotism and love for one's country.

Our leaders inspired and motivated others to fight injustice. They are the pillars behind the freedom movement. They made people aware of their rights and their power.

It is all because of our leaders , that we prospered into a free country free from any kind of injustice.

It's a very great deed to learn and carry out the prominent qualities from our LEADERS.
