Description:

Women's Equality Day

Start this special Women's Equality Day with a promise to never undermine a woman and treat every woman with respect! Warm wishes on Women's Equality Day to you all!

Women's Equality Day is observed in the United States on August 26 to celebrate the 1920 adoption of the Nineteenth Amendment to the Us Constitution, which restricts the nations and the national government from rejecting the right to vote to residents of the United States on the purpose of consummation. It was main proclaimed in 1972, established by Congress in 1973, and is proclaimed each year by the United States President
