International Mountain Climbing Day is celebrated on August 1 every year.

The courageous day was founded in respect of Bobby Matthews and his friend Josh Madigan, who succeeds in climbing the 46 high mountains of New York State's Adirondack Mountains 🏔️. The two young men climbed the last 46th peak (Whiteface Mountain) on August 1, 2015, and were formally inducted into the "Adirondack 46er Club" in May 2016.
