**A Report on DISTRIBUTION OF BLANKETS AND FRUITS TO THE HOSTEL
STUDENTS:**

Date: 11-09-2013

We organize the distribution of blankets and fruits to the hostel students on 11-09-2013. We as an organization strongly feel about destitute and for us nobody should suffer the lack of clothes and food is organized by Department of electrical and electronics engineering, PSCMR COLLEGE OF ENGINEERING TECHNOLOGY, Vijayawada in association with PSCMR CET at 10:00AM. As we are born, weather is sensitive for everyone, everybody feels heat, cold and rain. So just because they are poor we don't want they should suffer- because for us all human life is sacred. These camps are very often and have its own importance. This Programme was Organized by Dr.Y.rajendra Babu,. In this camp Students and Faculty of EEE departments has been actively participated with Vivacity. Dr.Y.rajendra Babu, Assistant Professor conducted the camp with the help of Students, given his positive support and help in organizing this camp.

Report on Clean and Green Program: 13-08-2013

As our college is located amidst residential area, it is very common that local people throw waste papers indiscriminately which makes our campus fil our surroundings are Clean and Green Program ". An initiative group of teachers along with students who are on a mission to make the surroundings neat, clean and green has clean the surrounding lanes of the college, as the PSCMRCET is in between thickly populated residential area, where the garbage is thrown frequently on roads. Our faculty-Mr. J.A.V.Ravindra Babu, Ms. A. Rama Devi, Mr. K. Bhanu Chander, Mr. D. Ratna Babu, Ms. S. Sravya and Ms. T. Shanti Sree along with 48 students of I B. Tech. participated in the event.

Report on Awareness Camp on Health Management: 10-09-2014

The department of Science & Humanities organized an Awareness Camp on "Health Management" in which students of I B.Tech participated. The residents of our local community were enlightened of the occurrence of various diseases in the rainy season and how to fight them. Through this camp, students promoted the concept of "right to health" for half of the world population still misses out in getting the essential health services. Our faculty Ms. A. Rama Devi, Ms. G. Anuradha, Ms. A. Bindu Madhavi, Ms. S. Sravya and Ms.T.Lakshmi Devi along with 15 students of I B. Tech. participated in the event.

A Report On Clothes Distribution:

We organize cloth distribution camps in slums, orphanages and old age houses with collaborating Rotary club. We as an organization strongly feel about destitute and for us nobody should suffer the lack of clothes. As we are born, weather is sensitive for everyone, everybody feels heat, cold and rain. So just because they are poor we don't want they should suffer- because for us all human life is sacred. These camps are very often and have its own importance. Recent camps were organized in the slums of Railway station, Near temples etc... Overall 37 students and 8 faculty members are participated in the Clothes distribution event.

Because All Human Life Is Sacred...!

Report on Awareness Camp on Health Management: 16-09-2015

The department of Science & Humanities organized an Awareness Camp on "Health Management" in which students of I B.Tech participated. The residents of our local community were enlightened of the occurrence of various diseases in the rainy season and how to fight them. Through this camp, students promoted the concept of "right to health" for half of the world population still misses out in getting the essential health services. Our faculty Ms. A. Rama Devi, Ms. G. Anuradha, Ms. A. Bindu Madhavi and Mr.K. Bhanu Chander along with 17 students of I B. Tech. participated in the event.

Report on Clean and Green Program: 20-08-2015

As our college is located amidst residential area, it is very common that local people throw waste papers indiscriminately which makes our campus fill our surroundings are Clean and Green Program ". An initiative group of teachers along with students who are on a mission to make the surroundings neat, clean and green has clean the surrounding lanes of the college, as the PSCMR CET is in between thickly populated residential area, where the garbage is thrown frequently on roads. Our faculty-Mr. J.A.V.Ravindra Babu, Ms. A. Rama Devi, Ms.A.Bindu Madhavi, Mr. K. Bhanu Chander, Ms. S. Sravya, Ms. T. Shanti Sree, Mr. P. Naresh and D. Bharathi along with 88 students of I B. Tech. participated in the event.

A Report on Groceries Distribution in SKCVV Trust:

We organize **Groceries Distribution in SKCVV Trust** with association of Rotary Club. We as an organization strongly feel about destitute and for us nobody should suffer the lack of Food. The main Awareness of this programme is to Support the Poor Children. So just because they are poor we don't want they should suffer- because for us all human life is sacred. 20 students and 5 faculty members are participated in the event. These camps are very often and have its own importance. Because All Human Life Is Sacred...!

A Report On Eye checkup:

The Department of Management Studies, in association with Sankara Netra Chikthalaya organized an eye check up camp on 4th October 2017 for students and Faculties of PSCMR CET

The Eye Specialists from the hospital examined around 95 students and 93 faculties with state of art equipment. The objective of the general eye check up was to facilitate early deficiency among the Students and provide tips on caring for and protecting their eyes. Students from Various departments were also screened by the specialists. The camp witnessed enthusiastic participation from the teachers of the college. On behalf of PSCMR CET, Mr.J.Naveen Gupta, Assistant Professor of MBA Department addressed the team of specialists and delivered the vote of thanks.

HIV AWARENESS CAMP

Academic Year: 2017-2018

Date: 10/03/2018

Report On HIV Awareness Camp

The HIV Awareness programme conducted on 10/03/2018, to focus attention on the importance of knowledge, attitude, and behavior regarding HIV/AIDS among the people. This study highlights an overall satisfactory level of knowledge on all aspects of HIV except treatment. Students adopting risky lifestyle showed a varied pattern of awareness. Information dissemination should be designed in such a way as to bring about healthy behavioral change targeting the risky lifestyle group. A regular assessment of attitude and level of awareness towards HIV/AIDS is essential to design changes in future educative programmes.

CIRCULAR

In view of "National Energy Conservation Day" on 14th Dec 2017, The Dept of Electrical & Electronics Engineering wish to conduct Essay Competition, Poster Presentation and Slogan Competition on "ENERGY CONSERVATION" for all the students of PSCMR CET. Every participant will get certificate (for Essay & Poster Presentation) and cash prizes will be given to best ones. The date of competition for Essay & Poster Presentation will be on 11/12/2017 and the last date for Registration is 09/12/2017. For further details regarding Registration fee, Rules & Regulations, contact the faculty listed below or go through the Brochure displayed in the respective Departmental Notice Boards.

S.no	Event	Date of competition	Name of the Faculty
1	ESSAY	11/12/2016	Mr V.Praveen Asst.Prof
2	POSTER	11/12/2016	Mr K.Narendra Asst.Prof
3	SLOGAN	Upto 11/12/16	Mr Sk.Mustak Ahmed Asst.Prof

Report on Swatch Bharat

To bring about an improvement in the general quality of life in the rural areas, by promoting cleanliness, hygiene and eliminating open defecation. To accelerate sanitation coverage in rural areas to achieve the vision of Swatch Bharat by 2nd October 2018 with association of Rotary club. In part of the event 5 staff members and 160 students of mechanical engineering conducted swatch bharat programme on 12-02-2018 in the campus. To motivate communities to adopt sustainable sanitation practices and facilities through awareness creation and health education. To encourage cost effective and appropriate technologies for ecologically safe and sustainable sanitation. To develop, wherever required, community managed sanitation systems focusing on scientific Solid & Liquid Waste Management systems for overall cleanliness in the rural areas. To create significant positive impact on gender and promote social inclusion by improving sanitation especially in marginalized communities.

RALLY FOR RIVERS

Academic Year: 2017-2018

Date: 04-12-2017

1. Preamble:

India's rivers are undergoing a drastic change. Due to the pressures of population and development, our perennial rivers are becoming seasonal. Many of the smaller rivers have already vanished. Flood as well as drought are becoming increasingly frequent, as rivers turn unruly during the monsoon, and vanish once the rainy season is over.

Report on Awareness Camp on Health Management: 03-10-2017

The department of Science & Humanities organized an Awareness Camp on "Health Management" in which students of I B.Tech participated. The residents of our local community were enlightened of the occurrence of various diseases in the rainy season and how to fight them. Through this camp, students promoted the concept of "right to health" for half of the world population still misses out in getting the essential health services. Our faculty Dr. A. Rama Devi, Ms. G. Anuradha, Ms. A. Bindu Madhavi and Ms. S. Sravya along with 22 students of I B. Tech. participated in the event.

Report on Clean and Green Program: 22-08-2017

As our college is located amidst residential area, it is very common that local people throw waste papers indiscriminately which makes our campus fill our surroundings are Clean and Green Program". An initiative group of teachers along with students who are on a mission to make the surroundings neat, clean and green has clean the surrounding lanes of the college, as the PSCMRCET is in between thickly populated residential area, where the garbage is thrown frequently on roads. Our faculty-Mr. J.A.V.Ravindra Babu, Dr. A. Rama Devi, Mr. Sk. Areef, Mr. D. Ratna Babu, Ms. S. Sravya and Ms. T. Shanti Sree along with 94 students of I B. Tech. participated in the event.

A Report on Blood Grouping:

A blood group is commonly performed as part of a group of tests. These tests include ABO and RhD blood groups, a blood group antibody screen and a cross match. There are over 200 different blood groups known. The most important ones are the ABO and the RhD blood groups. These are routinely determined prior to transfusion and during pregnancy. These two blood group systems also determine the eight most common blood types: A Positive, A Negative, O Positive, O Negative, B Positive, B Negative, AB Positive and AB Negative. The ABO blood groups are extremely important when receiving a blood transfusion. There are some blood groups (e.g. group O Negative, the 'universal donor') that can be given to almost any other person. However other blood groups (e.g. group AB) must only be transfused to people of the same blood group in order to prevent a potentially fatal transfusion reaction.

On the Occasion of Blood Group Identification on 28th Aug 2017 a blood camp was organized by Department of Management Studies, PSCMR COLLEGE OF ENGINEERING TECHNOLOGY, Vijayawada in association with Red Cross Society at 10:00 AM to 4:00 PM. This Camp was inaugurated by Dr.K.Harika, Red Cross Society. In this camp Students and Faculty of different departments has been actively participated with Vivacity. Mr. J Naveen Gupta, Assistant Professor conducted the camp with the help of Dr. K. Harika,,Red Cross Society, have given their positive support and help in organizing the blood camp. Totally 411 student form different departments and 15 faculty are participated
