Dear Sir,

Industry Institute Interface (I.I.I) – a combined initiative of Industry and Academia, which has taken shape recently, invites you to its grand inaugural function on 18th April, 2015 in Vijayawada. An invitation with Program schedule is shared with this mail for your kind reference. We cordially invite you to the grand inaugural of I.I.I, intends to bridge the perceived gap between Industry and Academia. Objectives of I.I.I are highlighted hereunder.

Industry Institute Interface (I.I.I) – Objectives:

I.I.I is an initiative of the Industry and Academic Institutions with the following aims and objectives. Forum strives to:

- ❖ Bring more visibility on 'what are the various opportunities available for the budding Engineers', on a periodic basis via bringing in Industry Specialists, across various sectors, on a common platform (I.I.I) for the students.
- ❖ Promoting collaboration among participating colleges in activities promoting industry exposure and making students industry-ready. Such activities include technical paper presentations, scrutinized by Industry, Coordinating common lectures by nationally and internationally known scholars and industry experts etc.
- ❖ Spread a part of corporate recruitments on a common platform (I.I.I), thereby sharing the opportunities across the Campuses. Each of the recruiting industry may choose to maximize their recruitment with a preferred campus (about 70%) while the other part of their need (rest 30%) could be opened for I.I.I, covering all the other campuses around.
- ❖ Seek Support from the Industries and from the Professional Bodies like PMI etc.
- ❖ Plan the I.I.I activities on a Quarterly Basis with a view to meet forum's long term Vision.
- ❖ Ensure Educational holidays / Vocational Trainings to be promoted through Industry interface – on a common platform.
- ❖ Organize /enhance Industry visits for the Students.
- ❖ Enhance and embrace Internship Programs – Currently neither focused nor adequate – these are currently more for a certificate than for a purpose.
