NIRF has announced **India Rankings 2017**, the second edition of this annual exercise and we have received an overwhelming response.

Data submitted by the institutions in various disciplines like Engineering, Pharmacy, Management, Architecture, Law, Medical, Colleges including the overall rankings of the institutions has been hosted by the participating institutions in their respective websites. The list of institutions who have submitted the data in India Rankings 2017 is available on our website [www.nirfindia.org](http://www.nirfindia.org).

The comments/feedback of the stakeholders are invited through this advertisement from 1<sup>st</sup> February to 12<sup>th</sup> February, 2017 by 5.00 PM on the data submitted by the institutions. The comments/feedback are auto-transmitted through an email without disclosing the identity of the stakeholder to the institution(s) for taking necessary action on their end.

Please note that the responsibility and accountability for the data rests entirely with the participating institutions.

Subject: Opening of NIRF Web Portal for editing till 25th February, 2016 and submission of Soft copy & duly certified Hard copy by 27th February, 2016

To: principal@pscmr.ac.in

Reference: Our e-mails dated 12th and 14th February, 2016.

Dear Nodal Officer,

This is in respect of the subject and reference cited above, it is informed that NIRF Web Portal will be opened for corrections/editing the data submitted by the applicant institution from today to **25th February, 2016**.

One major inconsistency in the previous submissions pertains to the units for various financial numbers. Not everybody has been careful about these units. In the current editing and correction, the software will prompt you for values to be entered in Rupees, or amount in lacs, as required. Similar alerts will be presented for area in Square Meters etc. Thus, there will be a pop up message with data value entered and unit for confirmation. The value will be stored only on confirmation. As an illustration, a screen shot is placed below for ready reference:

1. In case user clicks on Ok, value is stored.
2. In case user clicks on Cancel, value is to be re-entered.

It is expected that before resubmitting data in NIRF data capturing system, the applicant institution will ensure the following:

1. Data entry in correct units so as to ensure appropriate/correct data processing and assessment thereof. The following table details criteria wise data entry in expected units:

| Sr. No. | Criteria | Units |
|---------|----------|-------|
|         |          |       |
