Subject Date of submission of SAR in Application No. 3450-17/01/2019 - Extension-reg.

Attachment

Dear Madam/Sir,

As it has already been intimated on e-nba portal about the revised work flow and timelines for accreditation of programs which was implemented w.e.f. 23-10-2018, the Institutions which have applied for accreditation of programs under new flow are now given the time of 60 days from the date of approval of pre-qualifiers to submit the SAR for their respective programs. NBA appreciates that the institutions are facing problems in submission of their SARs in the stipulated time while complying with the new system and feedback is being received in this regard, it has been decided that in all such cases as on date in which the due date to submit the SAR has expired or is going to expire soon will be given an extension of time as a one time measure to submit the SAR up to 30th April, 2019.

2. On the basis of the above decision, your Institution is hereby given an extension of time to submit the SAR by **30th April, 2019** positively for application no. **3450-17/01/2019** for your 3 UG programs in Tier-II for which the date to submit the SAR is going to expire on 26/04/2019. No further extension would be granted after this.

Subject: Accreditation status of programmes applied by Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering and Technology, D.No.7-3-6/1, Raghava Reddy Street, Kothapet, Vijayawada, Andhra Pradesh- 520001.

Sir,

This has reference to your application I.D. No. 3450-17/01/2019 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by **Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering and Technology, D.No.7-3-6/1, Raghava Reddy Street, Kothapet, Vijayawada, Andhra Pradesh- 520001.**

2. An Expert Team conducted on-site evaluation of the programs from **21st-23rd June, 2019**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program (s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		
3.	Electrical & Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years **Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering and Technology, D.No.7-3-6/1, Raghava Reddy Street, Kothapet, Vijayawada, Andhra Pradesh- 520001** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a visit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Potti Sriramulu Chalavadi Mallikarjuna Rao College of Engineering and Technology, D.No.7-3-6/1, Raghava Reddy Street, Kothapet, Vijayawada, Andhra Pradesh- 520001** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs are enclosed.
