## Resolutions regarding effectiveness of various committees

1. Student's aspirations have to be met in terms of education, marks, CRT, and placements.
2. The concept of mentoring should be well communicated to students and to their parents.
3. The mentors need to have complete information about the students and about their performance.
4. The heads of the department need to convene a meeting in their respective departments and prepare a template or a format for good mentoring of the students.
5. The commonly drafted format needs to be approved by the Principal and should be put to use immediately
