CORE VALUES

CORE VALUES

We value excellence, innovation, being genuine, diversity, respect for others, integrity, trusting, and being trustworthy. The following qualities define us:

RESPECT: The members of our community value, respect and trust one another, as evidenced by what we say and, more importantly, by what we do. Our people are our greatest asset.

HONESTY AND INTEGRITY: Our stakeholders expect us to act with integrity. They trust us and expect us to trust them. They rely upon us to seek excellence, be collegial and collaborative and be focused on achieving mutual success.

COMMITMENT: Our peers and evaluators know that what we say and do is grounded and accurate and they are justified in expecting excellence from us. They also know that we innovate as we seek to continuously improve.

FREEDOM OF THOUGHT AND EXPRESSION: We employ and educate smart and creative people to do great things. We give them the resources to investigate, the freedom to experiment and the encouragement to excel.

DIVERSITY: We believe that the answers to global challenges often lie among multiple disciplines. We commit to embrace diverse perspectives.
