**Guest Lecture on Career Guidance**

On 22<sup>nd</sup> August 2021 an expert lecture was organized at PSCMR College of Engineering and Technology on "Career Guidance". Mr.Balaji Raman, State street HCL was the esteemed speaker.

Venue: PSCMR Seminar hall

No. of participants: 180

Participants: Mechanical Engineering and civil Engineering Final year students.

Mr.Balaji Raman, the speaker of the event explained the career opportunities after completion of graduation. He spoke to students about acquiring the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout. The problems faced by students are lack of focus, increasing dropouts, increasing competition. He has explained various techniques to overcome them. Students interacted enthusiastically and speaker clarified their doubts. The session came to an end with vote of thanks by the coordinator.

**Guest Lecture**

On 12<sup>th</sup> June 2021, a guest lecture was organized at PSCMR College of Engineering and Technology, "How to crack PSU exam". Mr. Sk.Karimulla, ACE academy was the esteemed speaker.

Venue: PSCMR

No. of participants: 61

Participants: Final Year civil Engineering students.

The objective of lecture was to build self confidence, enhance self esteem and improve overall personality of the students. They were made aware on the importance of career required to be a part of corporate structure. Guest Lecture is a way of stirring students with the newest updates of the career. The topic of the session was "How to crack PSU exam" by Mr. Sk.Karimulla. He explained PSU is the abbreviation for Public Sector Undertaking. These are units owned by the government of India and may be corporations or state-owned enterprises. These have been established with the intent to undertake commercial activities on behalf of the government. The PSUs regularly undertake large projects, and in the process generate numerous job opportunities. By clearing the PSU exam, you can get employed in PSUs. Many PSUs recruit on the basis of the GATE. In fact, for most of the PSUs, the GATE is a primary criterion that candidates have to fulfil in order to apply for the various available positions. Some of the PSUs where the GATE is mandatory are: HPCL, Power Grid, NHPC, NTPC, Mazagon Dock Ltd., BPCL, IOCL, NLC, GAIL, NFL, Vizag Steel, CEL, NPCC and MECL. However, some PSUs recruit without the GATE score. Students interacted enthusiastically and speaker clarified their doubts. The session came to an end with vote of thanks by the coordinator.
