Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Gratuity

As per statutory requirements, it is employer's statutory liability to pay 15 days' Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Gratuity

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company,. CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Gratuity

As per statutory requirements, it is employer's statutory liability to pay 15 days' Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Gratuity

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:**
  Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
  The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Gratuity

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.
  *The percentage and amount is in compliance with the current PF Act.

Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948] will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters

(unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF).
