Academic Year: 2017-2018

Date: 12-02-2018

### Report on Swatch Bharat

To bring about an improvement in the general quality of life in the rural areas, by promoting cleanliness, hygiene and eliminating open defecation. To accelerate sanitation coverage in rural areas to achieve the vision of Swatch Bharat by 2<sup>nd</sup> October 2018 with association of Rotary club. In part of the event 5 staff members and 160 students of mechanical engineering conducted swatch bharat programme on 12-02-2018 in the campus. To motivate communities to adopt sustainable sanitation practices and facilities through awareness creation and health education. To encourage cost effective and appropriate technologies for ecologically safe and sustainable sanitation. To develop, wherever required, community managed sanitation systems focusing on scientific Solid & Liquid Waste Management systems for overall cleanliness in the rural areas. To create significant positive impact on gender and promote social inclusion by improving sanitation especially in marginalized communities.
