All the members were present and there were no absentees for the meeting.

S No	Name of the Faculty	Designation	Department
1	G S Srinivas Murthy	Corporate Relationship Officer	TPCG
2	S Tulasi Prasad	Assistant Training & Placement Officer	CSE-AIML
3	K Sundar Srinivas	Training Coordinator	ECE
4	K Raghavendra	Placement Coordinator	ECE
5	D V V Prasad	Placement Coordinator	EEE
6	MD Khasim	Placement Coordinator	CSE
7	V S R K Prasad	Placement Coordinator	CSE-IOT
8	K Sireesha	Placement Coordinator	MCA
9	T Bindu Susmitha	Placement Coordinator	MBA

Quorum: As more than 50% of the members present it is deemed that the quorum is maintained.

The TPO extended welcome to the first to all the members present. The given below agenda was put forward for discussion and for ratification of the august members.

Agenda 1: TCS Codevita Registration (Department-wise)

Resolution:

1. The number of student registrations for TCS Codevita needs to be reviewed.
2. A breakdown needs to be provided, detailing registrations from each department.

Agenda 2: Implementation of Domain-Specific Training

Resolution:

1. The need for targeted, domain-specific training was discussed.
2. Plans to align training sessions with student's academic tracks and industry needs were proposed.
3. It was suggested that domain-specific trainers be brought in to facilitate workshops.

Agenda 3: Identifying Student Expectations & Tailored Training

Resolution:

1. Student's expectations from the training programs need to be considered.
2. The importance of customizing training to cater to specific skills and knowledge gaps was emphasized.
3. Conducting surveys or feedback sessions to better understand students' needs.

Agenda 4: Analyzing Student Performance on Codetantra Platform

Resolution:

1. The analysis of student performance on the Codetantra platform needs to be evaluated.
2. Key performance metrics needs to be reviewed, and areas for improvement need to be identified.
3. Prepare a report and share with the faculty and Head of the Department for further action.

Agenda 4: Identifying Student Excellence & Dividing into Batches

Resolution:

1. Identify individual students excelling in various areas (domain skills, communication, technical skills).
2. Based on this assessment, students will be categorized into batches according to their skill levels for more effective training.
3. This would allow for focused development of students' strengths while addressing areas for growth.

Adjournment: The TPO adjourned the meeting and all the members present agreed up on the same.
